ACKNOWLEDGEMENT

It is our proud privilege to release the feelings of our gratitude to several persons who helped us directly or indirectly to conduct this Analysis Project Work. We express our heart full thanks and owe a deep sense of gratitude to our teacher and my faculty guide Er. Ajay Sharma, Associate Professor, Department of CSE, **Amritsar Group of Colleges**, Amritsar, for his guidance and inspiration in completing this project.

We are extremely thankful to the Dr. Sandeep Kad, Head of Department and all faculty members of CSE Department at **Amritsar Group of Colleges**, Amritsar for their co-ordination and co-operation and for their kind guidance and encouragement.

We also thank all our friends who have more or less contributed to the preparation of this Project Report, we will be always indebted to them.

This project completion has indeed helped us explore more knowledge avenues related to RDBMS/Python and we are sure it will help us in future too.
